Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 07 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers quickly developing, becoming locally heavy and thundery.

This Evening and Tonight:
Often large amounts of cloud, but also some clear spells as evening showers gradually fade and become isolated and generally lighter. Thundery rain and showers might arrive later across far western areas. Breezy inland but windy along the coast. Minimum temperature 12 deg C (54 deg F).

Sunday:
Band of thundery rain moving east in morning. Scattered sharp showers following, some heavy with possible thunder. Drier by evening with sunshine. A breezy day with strong winds near coasts. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Showers or longer spells of rain Monday, locally heavy and sometimes thundery. Tuesday scattered showers, but lighter than previously. Wednesday dry, bright or sunny spells and possibly rather warm.
